PERFORMANCE BOND

KNOW ALL MEN BY THESE PRESENTS:

That, Dynamic Offshore Resources, LLC, with its principal office at 1301 McKinney, Suite 900, Houston, Texas 77010, (hereinafter called the "Principal") and RLI Insurance Company, with its principal office at 8 Greenway Plaza, Suite 400, Houston, Texas 77046 (hereinafter called the "Surety"), are held and firmly bound unto XTO Offshore Inc., HHE Energy Company, and XH, LLC, all with an address of 810 Houston Street, Fort Worth, Texas 76102-6298 (hereinafter collectively called the "Obligee"), in the Penal Sum of Thirty Two Million Eight Hundred Ninety Eight Thousand Five Hundred Seventy Two and ^{NO}/₁₀₀ Dollars (\$32,898,572.00) lawful money of the United States of America for the payment of which sum the Principal and the Surety bind themselves, their successors and assigns, jointly, severally, and in solido, firmly by these presents.

WHEREAS, Principal and Obligee have entered into that certain Purchase and Sale Agreement dated effective as of August 1, 2011 (hereinafter called the "Agreement"), which Agreement is by reference made a part hereof and which provides for the sale and assignment from Obligee to Principal of the interests of Obligee in certain oil and gas leases and properties, including the oil and gas leases described on Annex 1 to this Performance Bond ("Bond"), all as more particularly described in the Agreement (collectively, the "Leases" and each individually, the "Lease"), together with all rights and obligations in connection therewith, and also provides for the sale and assignment to Principal of all wells, platforms, facilities, equipment and pipelines existing on the Leases as of the date of the Agreement, including the wells described on Annex 2 (collectively, the "Wells" and individually, the "Well") (the Leases, Wells and such platforms, facilities, equipment and pipelines, being collectively referred to as the "Properties" and each as "Property"); and

WHEREAS, Principal and Surety agree that notwithstanding the subsequent termination of any of the Leases, whether by operation of law or otherwise, this Bond shall remain in full force and effect until Principal has presented satisfactory evidence to Obligee, as set forth below, that all P&A Obligations (as such term is defined below) have been performed and discharged; and

WHEREAS, as used in this Bond, the term "P&A Obligations" means all obligations and liabilities of Principal to abandon, restore and remediate the Properties, whether arising before or after August 1, 2011 (the "Effective Time"), including obligations, as applicable to the Properties, to: (a) obtain plugging exceptions in the operator's name for each Well with a current plugging exception, or permanently plugging and abandoning a Well; (b) plug, abandon, and if necessary, re-abandon each Well; (c) remove all equipment and facilities, including flowlines, pipelines and platforms; (d) close all pits; and (e) restore and remediate the surface, subsurface and offshore sites associated with the Properties; and

WHEREAS, Principal has agreed to deliver to Obligee this Bond, executed by Principal and Surety, at the Closing as defined and contemplated by the Agreement; and

WHEREAS, Surety represents that it is duly authorized by the proper public authorities to transact the business of indemnity and suretyship in the state where it executed this Bond, and represents that it is qualified to be surety and guarantor on bonds and undertakings, which certificate has not been revoked; and

WHEREAS, Surety represents that it has duly executed a power of attorney, appointing the hereafter named representative as its duly authorized deputy, as the true and lawful attorney-in-fact of such Surety, upon whom may be served all lawful process in any action or proceeding against such Surety in any court or before any officer, arising, out of or founded upon this Bond or any liability hereunder, and does hereby agree and consent that such service, when so made, shall be valid service upon it, and that such appointment shall continue in force and effect and be irrevocable so long as any liability against it remains outstanding hereunder;

NOW THEREFORE, Principal and Surety agree as follows:

Surety hereby guarantees the full and faithful performance by Principal of, and compliance by Principal with, the P&A Obligations in accordance with all current and future requirements of applicable federal and state law or any agency, authority or body having, jurisdiction or authority over the Properties or any operations thereon, and in accordance with the Leases and the Agreement.

PROVIDED, HOWEVER, whenever the Principal shall present to Obligee satisfactory evidence that all of the P&A Obligations have been performed (and as set forth in the Agreement, such satisfactory evidence shall comprise executed forms or other written documentation as may be required by any governmental authority under applicable law to reflect completion of the P&A Obligations, including, without limitation, forms and documentation relating to plugging and abandonment activities, decommissioning activities, site clearance activities and pipeline abandonment or removal activities and completion of remedial activities), then this Bond shall be null and void; otherwise, it shall remain in full force and effect in the amount as provided.

In the event Principal fails to carry out its obligations to bear the cost and expense to perform the P&A Obligations for a Property or certain identified Properties, and Obligee has presented to Surety a written notice that Principal is in default of its obligation under the terms of the Agreement, and such condition has persisted for thirty (30) days after written notice of such default has been given by certified mail to Principal and Surety, Surety shall, within fifteen (15) days of such presentations: 1) Pay to Obligee an amount equal to the actual costs for performing the P&A Obligations with respect to the Property or identified Properties in an amount up to, but not exceeding, the maximum penal amount of this obligation and the penal amount of this obligation shall be further reduced by the amount of this obligation; or 2) Commence the necessary operations to perform the P&A Obligations with respect to the Property or identified Properties as set forth in the Agreement.

In the event Obligee commences or completes the P&A Obligations with respect to a Property or identified Properties upon Principal's default under the terms of the Agreement, Surety's obligations shall remain the same as set forth in this Bond regarding payment to Obligee as set forth above.

If Surety shall decide, upon default by Principal, to commence, or cause to be commenced, the performance of the aforementioned P&A Obligations, said performance shall continue until such time as the P&A Obligations have been met, thereby reducing the penal amount as set forth herein. **Surety agrees to indemnify, defend, and hold harmless Obligee, its directors, and agents from all claims, demands, and causes of action for personal injury, death, property and/or environmental damage resulting in whole or in part from Surety's or Surety's contractors' negligence, whether joint (including with Obligee or Principal) active, passive, concurrent or sole, or willful misconduct with respect to the performance of the P&A Obligations, if and only if Surety elects, as stated herein, to commence the aforementioned P&A Obligations in lieu of payment to Obligee.**

Surety consents to be sued in any court in the State of Texas, hereby irrevocably submitting itself to the jurisdiction of said court. No amendment of or supplement to the terms or provisions of the Agreement or of the Exhibits attached thereto shall release Principal and Surety or either of them from their liability under this Bond. Notice to Surety of any such amendment or supplement is hereby waived, except to the extent that is herein provided.

No forbearance of Obligee, to Principal, shall release Principal and Surety from their liability under this Bond except where Obligee agrees to reduce the penal amount as provided above. No assignment of the Agreement or of the Property by the Principal, its successors and assigns, and no assignment of the Agreement by operation of law or consent of Obligee or otherwise shall in any degree relieve Principal and Surety of their obligations under this Bond except as provided herein. No delay, neglect or failure of Obligee to proceed promptly to enforce the Agreement or to proceed promptly in case of default on the part of Principal or Surety shall in any degree relieve Principal and Surety of their obligations under this Bond except as herein stated.

No assignment, in whole or in part, of the Agreement or of the Properties by Principal, its successors and assigns, and no delay, neglect or failure of the Obligee to proceed promptly to enforce the Agreement or to proceed promptly in the premises in case of any default on the part of Principal shall in any degree relieve Principal and Surety or either of their obligations under this Bond.

HOWEVER, if upon assignment, in whole or in part, of the Agreement or the Property or any Well and facilities thereon by Principal, its successors or assigns, Principal may cause its assignee to post security, in the form of a bond or other acceptable security from Surety, or a surety acceptable to Obligee, covering the same obligations as stated herein as to the assigned interest ("Transferee Bond"). The penal sum provided for in the Transferee Bond with respect to such assigned Properties shall be in an amount equal to the estimated cost to perform the P&A Obligations with respect to the assigned Property, which cost estimate shall be subject to Obligee's approval.

No right or action shall accrue on this Bond to or for the use of any person or corporation other than Principal, Oblige, their respective successors and assigns.

NOW THEREFORE, Principal and Oblige agree that any dispute, claim, or controversy concerning the interpretation of this Bond or the Agreement or any party's compliance with the terms of this Bond shall be resolved in accordance with the terms, conditions, and procedures in Article 17 of the Agreement and each agrees not to prosecute or commence any suit or action against the other(s) relating to any such matters.

This Bond is subject to the provisions of Section 8.04(f) of the Agreement including, without limitation, the redetermination provisions that may serve to adjust the penal sum provided for herein and the ability of Oblige to draw on the Bond, in whole or in part, as expressly provided for therein subject, however, to the following conditions. In the event that Oblige draws on this Bond pursuant to its rights under Sections 8.04(f)(2)(B)-(C), then it is expressly agreed that Oblige shall first obtain Surety's written consent. Further, Surety shall not be required to increase the penal sum provided for in this Bond as a result of any redetermination made pursuant to the Agreement without its written consent. In the event such written consent from Surety is not obtained, Principal will be required to obtain an additional bond to cover the incremental penal sum increase as a result of such redetermination from a financial institution, mutually acceptable to Oblige and Principal, providing for terms substantially similar to those set forth in this Bond except as regards the penal sum amount. Any redetermination made pursuant to the Agreement, shall not include estimated costs with respect to P&A Obligations for which a Transferee Bond has been obtained and approved by Oblige. Oblige will accept such Transferee Bond as financial security for the assigned Property. Further, as provided in Section 8.04(f)(1) of the Agreement, when it is determined that the estimated costs of the total remaining liabilities of Principal with respect to the P&A Obligations is less than \$2,819,878.00, then this Bond shall be null and void and Oblige and Principal shall execute such documentation as is reasonably necessary in order to release and relinquish the Bond, which documentation will be executed promptly but in any event not less than sixty (60) days of being presented for execution. Further, Oblige agrees that in the event either XTO Offshore Inc., HHE Energy Company or XH, LLC terminates its corporate existence, then it will appoint one of the remaining seller entities or, at its sole option, its parent company, as agent to act on its behalf with respect to the obligations stated in Section 8.04(f) of the Agreement.

In the event of a conflict or inconsistency between the terms and provisions of this Bond and those set forth in the Agreement, as between Principal and Oblige, the terms and provisions of the Agreement shall control.

IN WITNESS WHEREOF, the above bound parties have executed this instrument to be effective on August 31, 2011, the name of each corporate party duly signed by its undersigned representative pursuant to authority of its governing body.
